<input type="button" value="Continue"/>	

If you want to add your e-mail address type the following code into the box, replacing address-here with your e-mail address.

[EMAIL=address-here]E-mail Me[/EMAIL]

Where it says E-mail Me, you can change this to whatever you prefer, IE Papa's E-mail, using your own membership name instead of Papa

If you want to add a picture to your signature type in the following code putting in the web address of the picture (picture must be on the internet) where it says picture-url-here.

[IMG]picture-url-here[/IMG]

If you want to add a website address to your signature type in the following code putting in the address of the website where it says url-here.

[URL=url-here]My Website[/URL]

Where it says My Website, you can change this to whatever you prefer, this could be the name of the website IE UKCampsite.co.uk

When you are happy with your changes click on the Continue button and return to this page and make a post to check that you have done it OK, any problems then you can e-mail me or I will be checking this page from time to time so will see your request.

Please note that picture size should be no greater than 30k
