Insert a Link in UK Campsite Messages Using

Go to the post Reply section at the bottom of the last page of a topic.

Click on the Hyperlink Button (shown below)

Type in the text you wish to show in your post. Then click OK

Copy and Paste or Type the URL of the page you wish to connect to. Then click OK
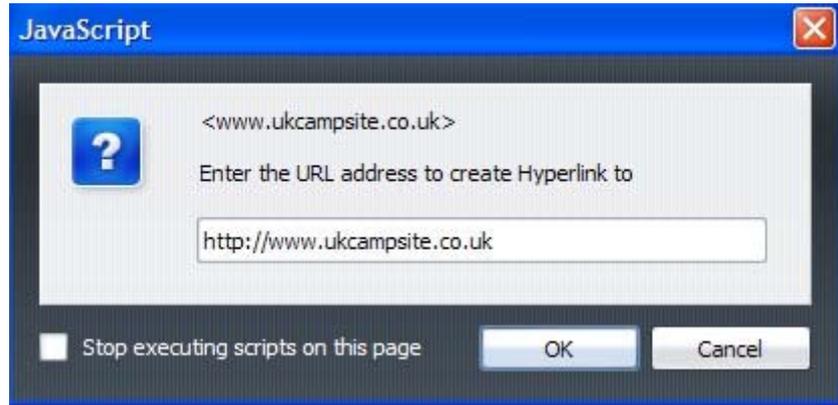

You will now see this box with the link code in it. Click on Preview Post.

This is how it should look in the preview reply view.

Click Close Window to go back to the previous screen
